Elevate Your Game

Toro invites Minneapolis area FRC teams to this first-of-its-kind in Minnesota, full-day education and information sharing session in Bloomington, MN.

Toro-sponsored, 2022 FRC World Champion Team 1619 – Up-A-Creek Robotics will cover a wide variety of topics designed to help your team improve its on-field performance in FIRST Robotics Competition events. All FRC teams, from Rookies to Super-Veterans, will find something of value during the course of the day.

This event is FREE OF CHARGE! Lunch and snacks will be provided!

Date: Saturday, November 5, 2022

Time: 9am-5pm

Location: Bloomington, Minnesota (specific location details provide upon RSVP)

Target audience: FRC mentors and student team leaders

Seating at the event is First Come, First Served* so RSVP right away!

***Teams are limited to 6 seats initially to allow as many teams as possible to attend.**

Opening participation to additional team members could occur closer to the event date if capacity exists.

For additional details and to RSVP, please contact Mike Ott at Mike.Ott@toro.com
